Notes from the Chair

After a long hot summer, suddenly it's autumn again and Christmas and the New Year are fast approaching. You will probably already be making your plans about where you will spend Christmas and the surrounding days. If so, please remember the Westminster Park Switch On of our Christmas lights at 5 pm on Thursday 3 December at the shops. It has become an established tradition in WP and this year will be no exception.

We will have a decorated Christmas tree and lights in the trees opposite the shops which will be switched on by the Deputy Lord Mayor, Councillor Alex Tate. There will be entertainment from the Belgrave School choir and male voice choir Cambrian Chords and there are rumours that Santa will fly in! Hot dogs, mince pies and mulled wine will be available, thanks to some of the shops, so what are you waiting for – please put the date in your diary and come and join in the fun!

We had a successful Quiz night at the end of October. Thanks are due to everyone who helped with the evening but, particularly to Colin Dollimore for setting and asking the questions and to Steve Frost for providing a magnificent buffet supper.

The day after the quiz was our Westminster Park "Tidy Up" day in which we descend on the shops with hoes, shovels and brushes to get up the weeds and spruce up the area round the shops. It was gratifying to see over a dozen people working hard including our two councillors. It was even more gratifying when one lady came up to me and said how lucky we are in Westminster Park to have such a strong sense of community. Long may it continue!

Brian Westcott, Chairman

Organised by Westminster Park Residents' Association

Councillor Razia Daniels

Following concerns raised by local residents, I have several pieces of positive news to report:

- new council signs have been installed in Westminster Park car park making it clear that overnight camping is not permitted.
- the illegal clothing bin on the pavement at the corner of Five Ashes Road and Claypit Road has been removed.
- new lighting has been installed on the footpath between Lache Lane and Vincent Drive following identification of a fault
- new planting is planned to strengthen and enhance the hedgerow at the Hough Green entrance to Westminster Park

Congratulations to Friends of Westminster Park on their fantastic success at the **RHS Britain in Bloom North West Awards 2026.** The Council achieved a Gold Award for its Whole Borough Entry, and Westminster Park was one of only six parks across the borough to receive an individual Gold Award. In addition, the Friends of Westminster Park achieved an excellent Level 5 award in the **It's Your Neighbourhood** category. This recognition reflects the dedication, commitment and hard work of volunteers who help make Westminster Park such a wonderful green space.

Thank you to everyone who took part in the community tidy day at the shops organised by Westminster Park Residents Association (WPRA).

Supporting Local Projects

I have continued supporting local community projects through my Members' Budget. Contributions have funded a PAct Kit at Belgrave Primary School, the Summer Reading Challenge at Lache Library, autumn planters, a community Christmas tree, a photocopier, and the Westminster Park 80th Anniversary Celebrations.

I also contributed towards the **Poppy Appeal Cascade** at St Mary's church, a moving community project handcrafted to honour those who have served our country.

Keeping in Touch

Thank you to everyone who has contacted me throughout the year, attended local meetings, reported issues, supported community events and shared ideas for improving our area. Your involvement helps shape the work I do on your behalf.

If there is anything you would like to discuss, please get in touch or come to my monthly street surgery on the first Saturday of every month:

- Westminster Park Shops: 10.00am to 11.30am
- Old Dee Bridge, Handbridge: 12.00pm to 1.00pm

I will always do my best to help.

Finally, I wish all residents a very Merry Christmas and a Happy New Year. Thank you for your continued support throughout the year, and I look forward to serving our community in the year ahead.

Councillor Matt Carter

Hello everyone, I hope you are enjoying the build up to Christmas. As always, I am incredibly happy to support the Christmas light switch on at the shops with part of my Members Budget and look forward to attending. Let's hope the weather stays fine for the evening.

Onto recent case work, I am happy to report that the car abandoned near Beaufort Court on Lache Lane has been removed. I know residents were concerned that this might attract fly tipping in the layby. Near the bottom of Lache Lane there are now "dragon teeth" markers to function as a traffic calming measure. I know local homeowners have taken a lead on reporting speeding cars. I hope that this will bring the speed down in this section of the road.

Another matter which I highlighted to the Highways department, was the simultaneous road closures on Lache Lane and Wrexham Road. I was told that the resurfacing on Wrexham Road, if not completed at this time, would have had to wait until Winter 2027. However, I have asked that greater consideration be taken when road closures are requested by third party services and where possible to use temporary lights rather than full closures.

It was brought to my attention that there was localised flooding filling the road at the Hough Green Overleigh Roundabout junction. Highways have agreed to carry out ad hoc work where they find issues with silt in the gullies; having checked when it was dry they will find a few in this section in need of a cleanse. I am confident that I will be able to get this resolved.

Finally, it was good to attend the Westminster Park shop clean up arranged by Westminster Park Residents' Association. It was very good to see people coming together to improve the look of the shops. I took particular effort to clean up the corner area by Claypit Road removing a large section of overgrowth that had developed before the wall here was fixed.

Surgery Details:

I am available for face-to-face meetings to discuss and help in ward related issues on request. Please contact me by email, via my Facebook Page "Cllr Matt Carter – Handbridge Park Ward" or give me a ring – details on page 7. I also complete monthly door knocking sessions talking to you about what matters most and what I can do to help.

Christmas Cheer from The Emporium

Three cheers for The Emporium who will be opening late especially for the Christmas Lights Switch On event on **Thursday 3 December** offering a range of hot street food and drinks to keep out the winter chill.

Their menu includes:

- Mac and cheese (D,G) £6.95 (*extras Truffle oil 75p, crispy bacon £1.50)*
- Swedish meatballs, mash, gravy and lingonberry sauce (D,G) £7.95
- 5 Bean chilli, guacamole, sour cream and rice (v) (Veg O- no sour cream) (D)£ 6.95

There will also be:

- A selection of cakes, bakes and cookies
- Hot chocolate and coffees
- Mulled wine, beers and ciders, wine

Many thanks to Phil and Jenny for putting this on - it all sounds delicious!

Evergreen Update

Evergreen will finish the year off in style with a Christmas lunch at Chester Golf Club on 3 December and our Christmas Party on 17 December with the return of the barbershop singers 'Contraband' who entertained so well last year. Sherry, mince pies and free raffle will complete our afternoon.

We finished the year with a membership total of 79. Membership for 2027 is now being taken and all members need to be members of WPRA for insurance purposes. We have had to increase the membership fee to £15 per person in 2027 due to the rising cost of speakers and lower membership numbers.

Our 2027 programme is complete and again offers a good variety of speakers, activities and Supper Club venues, giving good value for money. We start the year in January with a talk on Antique Collectables, in February we have our brief AGM followed by a fun quiz and in March we will learn about the history of Airbus. Our full programme, membership forms and Supper Club venues are available at our monthly sessions in Westminster Park Community Centre on 3rd Thursday of each month, 2.00–3.30pm.

Evergreen Club is an opportunity to get out of the house for a couple of hours in a friendly atmosphere, enjoy a complimentary cup of tea/coffee and biscuits, meet up with other people and join our Supper Club. We look forward to welcoming members old and new in 2027 and send warm wishes to all for a very joyful Christmas and a happy and healthy New Year.

WPRA Membership Renewal

Your 2027 membership is due on 1 January and there is a subscription slip in this newsletter to facilitate payment.

The subscription is just £3 for the year with an optional payment of £2 for Friends of Westminster Park.

What do you get, for what is less than a cup of coffee?

- 4 copies per year of our newsletter
- Our planters by the shops filled with colour
- Supply and maintaining the defibrillator at the fishmongers
- The supply and maintenance of the Christmas lights
- Provision & maintenance of photocopier in WP Pharmacy
- Events like quizzes and the Christmas lights switch on
- Other projects, such as tree and bulb planting
- Regular liaison with our councillors.

So please support us!

Don't stand - deliver!

No need to take your weapon with you! Just copies of this newsletter to help ensure that everyone in Westminster Park receives a copy. A couple of our deliverers have recently retired and we are in need of replacements. In particular, we are looking for anyone who might like a short stroll around the shops area, pushing newsletters in as they go.

As the newsletter is only quarterly, it's not a big ask. If you are able to help us, we would be very grateful. Please give me a call.

Glan Aber Tennis Club

Our Community Outreach Fund has continued to support schools coaching and holiday camps are popular.

Group coaching courses run as normal throughout the winter and our adult teams play in the Wirral League. Saturday Pay & Play junior coaching has stopped until the spring.

For further information, please visit our website at www.glanaber.com.

Come and try out the WP Community Centre

You may not be aware but the Westminster Park Community Centre, attached to Belgrave School, is there for all residents of Westminster Park and Kings Moat.

We have a bar that is open 7-30 till 11 from Sunday to Thursday, 7-30 till 11-30 on Friday and Saturday and 11-30am till 3pm on Sunday afternoon.

We are a not-for-profit charity and completely self-funding so all monies are ploughed back into the centre which has been serving the community for 53 years. We are currently refurbishing some areas, so any help is always appreciated.

During December we have a Christmas draw and on New Years' Eve we have REVIVAL, a fantastic popular group playing all sorts of songs. Tickets are £15 with a buffet thrown in. We are looking to get more acts in the new year for your entertainment.

We have lots of user groups: Pre-school, yoga, dance fit, jazzercize, Pilates, karate, stretch and mobility for seniors, tai chi, Bridge club, Weight Watchers, church and Evergreen on the third Thursday of the month. There are three darts teams, one on Monday and two on Tuesday as well as the bagatelle team on Wednesday, all in the main hall.

We are always looking for ideas, please e-mail wpca2008@yahoo.co.uk Children welcome till 9.30pm, dogs welcome too. Come and try us out.

Belgrave School needs your help

"If children can build with it, transport it, wear it, sort it, collect it, invent with it or role-play with it, we'd love to hear from you!"

At Belgrave Primary School, we believe that play is a vital part of childhood and an essential contributor to children's wellbeing, development and learning. To further enhance opportunities for play, the school is implementing the **OPAL Primary Programme** dedicated to transforming playtimes into rich, inclusive and enjoyable experiences.

Why is play important? Research shows that high-quality play supports children's academic, physical, social, mental and emotional development. As OPAL develops, children will have access to a wider variety of play opportunities across the school grounds throughout the year.

To achieve this Belgrave needs community help, particularly by donating materials, supporting fundraising initiatives, providing waterproof clothing and wellington boots where possible and encouraging outdoor play and creativity beyond the school day.

We are after items such as:

Construction & Den Building: Wooden pallets, scaffold boards or decking planks, cable reels/ drums, tarpaulins, guttering and pipes, milk crates and bread trays, large cardboard tubes, pegs and clips, ropes and netting

Small World & Imaginative Play: Toy animals, dinosaurs and figures, dolls and soft toys, old suitcases and briefcases, fancy dress clothes, hats, scarves and bags, old steering wheels, road signs and traffic cones

Mud Kitchen & Outdoor Café: pots, pans and baking trays, metal utensils, chopping boards, mixing bowls, buckets and watering cans, old work tables

Wheels & Transport: scooters, trikes, pushchairs, wheelbarrows, dollies/trolleys, wheels and tyres

Creative & Loose Materials: fabric and curtains, yoga mats and camping mats, pool noodles, carpet samples, foam offcuts, plastic tubing and hoses

Technology Role-Play: old keyboards, telephones, cameras, calculators, laptops and webcams (non-working)

Natural Loose Parts: logs, branches, pine cones, pebbles, shells, bark and woodchip, sand and gravel

Larger Community Donations, from builders, farms, local businesses or families: sheds and storage units, playhouses, large cable reels, sleepers and paving slabs, event shelters, boats, caravans or role-play structures, plastic crates in bulk.

Please contact the School office admin@belgrave.cheshire.sch.uk to arrange collection or delivery of any potential items that you may be able to source.

Play is not simply a break from learning - it is an essential part of how children learn, grow and develop.

There's still time to comment on plans for 130 houses off Lache Lane

Our Councillors have 'called in' Redrow's planning application to build 130 further houses on Greenbelt Land between Wrexham Road and Lache Lane to the south of their existing site. This means that we can continue to comment on the plans.

Go to the Planning section of the Council's website. The application number is 26/02034/OUT which must be quoted on your comment.

News from our MP

It's been a busy few months, both here in Westminster Park and down in Westminster. It's always important to me that the work I do in Parliament connects with the things that matter to people back home.

Road safety is something I feel particularly strongly about, and I know just how important this issue is to local families. The Kings School and residents have worked tirelessly to campaign for improvements on Wrexham Road. We've seen welcome progress on reducing speed limits outside local schools, with most now benefiting from 20mph limits. But there is still more to do. I've been working closely with our brilliant local councillor, Razia Daniels, to push for further improvements on Wrexham Road, and I'll continue pressing for a safe crossing outside the Jigsaw nursery.

On a different topic, I've also been taking on new responsibilities in Parliament with promotion to Shadow Minister for Nature, a role I'm really excited about. You don't have to travel far to see the difference nature makes. In Westminster Park, the Friends and their Green Volunteers do fantastic work, from planting wildflower meadows and restoring hedgerows to creating homes for birds, bats and other wildlife. It's a great example of a community looking after nature right on its doorstep. I want to champion that across the country and encourage everyone to connect with nature.

Finally, the Budget has been and gone. Unfortunately, it did little to give us confidence that the Government has a plan to grow our economy, while difficult decisions, including how we properly fund our defence, have been kicked into the long grass. However, I welcome the decision to freeze fuel duty until July, but families, farmers and small businesses are still facing enormous financial pressures. I've been speaking up for them in Parliament and will continue to make sure that the concerns of people here in Cheshire are heard.

Aphra Brandreth MP

Friends of Westminster Park

And the award for the BEST park goes to….
In this year's RHS awards we have achieved Gold in the Large Parks category and Level 5, Outstanding, in the It's Your Neighbourhood category. Thanks and congratulations go to Andy Worrel, our Parks and Gardens Lead Officer and to all of the Green Volunteers who work hard improving and maintaining our green space. Thanks also to the people who pick up litter, the café, the sports groups and the dog walkers who keep the park clean. Thank you too, to the people who stop to chat to volunteers and tell us how much you love the park.

One of the most important criteria for achieving Level 5 is public engagement and we certainly hit that mark. Apart from our fabulous celebration day, the City Nature Challenge and the Apple pressing day, we've had visits from our local Brownies and a group of homeschool families to help us plant bulbs and wildflowers. They'll be back again to help with tree planting.

Sixth formers from Abbey School are working with us, helping to create the new walking path through the golf course. The lads have also planted bulbs, created dead hedges and installed new gates to the golf course. They'll be volunteering every Wednesday this school year to learn and practise new skills.

Yesterday we had a delivery of sapling trees, given free by the Woodland Trust, which we'll start planting next week.
You'd be very welcome to join us. We do a variety of jobs from pottering about snipping the heads off weeds to pulling up brambles. Come along on Wednesday morning 10 till 12, then coffee afterwards. Tools & gloves provided. Speak to any of the volunteers in the park, we'll be wearing yellow jackets.

Sixth formers from Abbey School learning to make stakes.

18 January, 1pm: John Lennon: man, myth, musician by Peter Elson

15 February: Chester Foundling Hospital, Part 2 by Dr Anthony Annakin-Smith

Meetings are held at the Grosvenor Museum, Chester, starting at 7.30 p.m. unless otherwise stated.

Thanks from Kreative Room

It's hard to believe that we've been open for 18 months already! A huge thank you to everyone who has booked an appointment, recommended us or simply popped in for a chat. There'll be more to celebrate on our 2nd birthday celebration in January - date TBC.

Behind every great salon is an amazing team and Abbie and Andrea bring talent, passion and creativity. We're now delighted to welcome Hannah and Bella too.

Hannah joins as Master Colourist, with a passion for colour and the ability to create beautiful, personalised results whether you want a complete colour transformation, a refresh of your existing look or just something a little different!

Bella is our new apprentice, with bags of enthusiasm and eager to learn the Kreative way. We're passionate about developing the next generation of hairdressers, sharing our knowledge to build skills and confidence.

At Kreative Room, we've always wanted to offer more than just a hair appointment. We want you to feel comfortable, looked after and at home. With a talented team, relaxed atmosphere and passion for beautiful hair, we hope every visit feels like a little bit of time just for you.

Thank you for being part of our journey - we wouldn't be here without you!

Save your local pharmacy

Westminster Park Pharmacy and Owens Chemist are under new ownership and since September, we have received over 100 positive Google reviews across both sites. Established in 2012, RJR Chem Ltd operates 14 branches and won the 2022 *Chemist +Druggist* Above and Beyond Team Award.

We have read your reviews and listened. To address medicine availability concerns, our size gives us accounts with all major wholesalers, without restrictive minimum spends or being tied to particular suppliers. This has dramatically improved availability, alongside restocked prescription and over-the-counter medicines. Prescription-ready text messages are coming soon, saving unnecessary trips.

We offer free delivery, flu vaccinations and NHS Pharmacy First for sinusitis, sore throats, earache, infected insect bites, impetigo, shingles and uncomplicated urinary tract infections in women. Prescription-only treatment is subject to clinical assessment and eligibility.

COVID vaccinations are planned for next season. Within four weeks, we aim to introduce travel vaccinations, ear microsuction and weight management clinics. Please sign up for regular prescriptions: your support keeps our pharmacy viable, open and serving your community.

Just provide us with your full name, date of birth and contact number to sign up.
Come in and talk to us. We welcome honest feedback about what wasn't working before and what you would like to see improved. Your suggestions will help us build a better pharmacy service for everyone.
