“THE VALUE OF DUST DIRT AND DEBRIS FOR DETECTIVES”

A fascinating and informative insight into the world of forensics

Rotarian Hugh Owen, a retired police forensic scientist, gives an extremely fascinating and very informative insight into police forensics in the USA.

Awarded a WINSTON CHURCHILL TRAVELLING SCHOLARSHIP, Hugh experienced the police department forensics in Boston, New York, Los Angeles Police Department and with the FBI and the Secret Service in Washington.

How forensically aware are you? Put yourself to the test with a brief quiz and a prize for the winner.

and

MUSIC with the theme of ‘FRIENDSHIP’

Rotarian Angela Williams, formally a clarinettist with the Glasgow Symphony and Chester Philharmonic Orchestras gives a wonderful musical interlude.
