

Wrexham Road Development : Process for Making Comments

We still have the opportunity to submit our comments to either support or object to the planning applications for the Wrexham Road Development. This is your opportunity to express your own point of view.

Below are some step by step instructions which will help you to navigate the CWAC website.

These instructions are also available on the Westminster Park website - www.wp-ra.org.uk (where the web links at the bottom of this document will take you directly to the pages you need).

You need to submit **separate** comments for each of the **three** planning applications, but you can submit the same comments on all three. The easiest way is to prepare your comments in a Word document before pasting into the website.
