Bringing our community alive

www.wp-ra.org.uk

@wesparkra

Let's get together

Looking forward to spring and summer, your Residents' Association committee has been busy planning events to provide opportunities for our community to gather and enjoy each other's company.

First up is a **St George's Day Quiz on Saturday 23 April** at the WP Community Centre when our knowledge will be tested and we can share supper and a laugh.

Secondly is our **AGM**, on the evening of **Wednesday 27 April** when we will report on activities in the past year and provide you with an opportunity to ask questions, make suggestions and perhaps join our committee – there are a few vacant places.

Thirdly will be our **Jubilee Picnic and Fun Day** on the afternoon of **Saturday 4 June** to be held on the school field at the rear of the Community Centre. This is still at the planning stage and we are forming an organising committee - we would welcome any volunteers to join the committee or simply put their names forward as willing helpers on the day. We will also be looking for people to help us provide entertainment, catering and stalls on the day and particularly want to give local people the opportunity to showcase their offering. Contact me for more details.

Thank you to all of you who came to our special **Christmas Lights Switch-on** at the WP shops in December. The lights in the trees opposite the shops have been functioning erratically and it has been decided to rewire them. This will involve quite a lot of expenditure, some of which will be paid for by your subscriptions. We would also be very

grateful for any donations to help fund it.

Work continues on the Wrexham Road housing development with consequent disruption on Lache Lane, Circular Drive, Whaddon Drive and Greenacre Road in connection with the provision of sewerage services. I would like to thank Peter Cocker, from our Wrexham Road subcommittee, for monitoring the work on behalf of WPRA and communicating so effectively with the Council, the contractors and residents.

I am greatly saddened to report the passing of Bob Tricklebank, another member of that committee for many years. Bob had a great eye for detail when examining plans and assessing proposals and his wise counsel will be missed by all of us. We pass on our deepest sympathies to his family.

Recent work on the Wrexham Road site has involved the felling of trees and removal of hedges which must be done between October and March to avoid disturbing nesting birds. On land adjacent to Greenacre Road a number of trees, marked for preservation, have been felled apparently by mistake. My thanks go to local residents for drawing this to the attention of our councillors so quickly. It serves to show that we must all remain aware of the potential destruction of natural resources which the developers have said will be conserved.

Ground clearance has also started on the Local Wildlife Site between Lache Lane and Winkwell Drive where trees have been felled on the lane leading to the site, so this small green enclave is also about to be built upon. I am sure we will be keeping a close eye on the works as they progress.

Following the success of our Community Tidy Up last September we are hoping to organise another one during the Spring. Watch our website and FB page.

Finally, we are always happy to hear from you if you have suggestions or ideas about how our neighbourhood can be improved.

News from your Councillors

No crossing, as yet

In response to queries raised by local residents, councillors requested that two separate assessments be undertaken by the Highways department on the Wrexham Road near the Ashgrove nursery. Both gave the result that the volume of traffic on this stretch of the road is not at a level where a safe crossing is required. As traffic is increasing, councillors have asked that this be kept under review and have offered funds from their members' budget towards another assessment in the future.

Making good

Although the works on Whaddon Drive were completed in January, there remains much damage to the road, pavements and grass verges to be fully repaired. Residents' concerns have been communicated to the Highways Officers and we have been informed that CW&C will meet the developers and the contractor to agree a plan and a timetable, in line with legislation. It is noted that although the repairs are to be undertaken as soon as possible, some may have to be delayed until better weather arrives in spring.

Pavement clear up

After years of neglect, work was finally done on Overleigh Road, Grosvenor Bridge, Wrexham Road and Lache Lane to clear the pavements and make it safe for pedestrians to walk.

Air Investigation

Following our request that the air quality near schools be monitored, a device has been installed to measure the quantity of nitrogen dioxide in the air on the Old Wrexham Road. Monitoring will continue for at least 12 months and results will be published on the council website next year.

Westminster Park Activity

We would like to thank volunteers for the amazing work they are all doing in Westminster Park; creating a pond and paths, planting trees and wild flowers and much more.

BMX will be back in business

We asked Highways to inspect the condition of the BMX track at Westminster Park as a recent Royal Society for Prevention of Accidents inspection had identified the need for new surfacing. There is funding to cover the cost of the restoration and repair work will take place as soon as possible.

Croquet Pavilion

The refurbishment of the exterior of this building will be undertaken by the council within the financial year. We are also continuing to work with Park staff to find a reliable and cost effective water sprinkling system.

Councillors' Budget

We were delighted to award funds to undertake repair work and rewiring of the Christmas lights and to purchase wild flowers seeds for the Park.

If you have any community projects or ideas for improvements to the local area please do not hesitate to contact us - Cllr Razia Daniels and Cllr Neil Sullivan. We hold monthly street surgeries on the first Saturday of every month outside the Westminster Park Shops 10.30 - 11.45am.

Wildlife areas in Westminster Park

Friends of Westminster Park volunteers continue to plan and work on various projects in the park and have recently been visited by wildlife experts from Chester Zoo who were impressed by progress so far. There are now plans for volunteers to assist Zoo outreach staff when local schools bring pupils to explore the wildlife sites in the park.

The work schedule for spring includes spreading a mulch of shredded Christmas trees on path surfaces through the woods and in the dog run area. The pond, recently lined with puddling clay (kindly supplied by Councillor Neil Sullivan), has been encircled with branches to deter dogs from going in and getting covered with sticky mud. Lots of log piles and turf mounds have been created for wildlife to inhabit. Keep an eye out for information boards in the near future.

Anyone who would like to be involved is welcome to join in on any Wednesday, 10-12, currently in the area near the BMX track. Boots and gloves are essential, as are a few garden tools whilst safety glasses are advised. The volunteers are appealing for bird and bat boxes, if anyone would like to make a few – please contact them for a template. They also need sand, pebbles and sandstone blocks for use in the wildlife area. More information is available from

Annemarie at macfadyenfamily@sky.com or Linda at shuttleworths@talktalk.net.

The annual general meeting was held on 12 January (minutes available on FoWP website). The main area of concern remains the future of the café, changing rooms and toilets, especially given the lack of council funds or support for a replacement building. FoWP will continue focus on this and would be delighted to hear from anyone who has thoughts or suggestions to help tackle this issue.

The rustle of spring

The coming of spring and looking forward to summer offers gardeners all the delights and challenges of growing new plants and nurturing old favourites.

It also heralds the 2022 season of **Gardening Club** talks to be held at the Community Centre and visits around the country:

- Wednesday 6 April, 8pm. Barbara Moth's subject will be: The History of Grosvenor Park and the grounds of the Law College, Christleton
- Our first outing of the year is on Sunday 15 May to Tirley Garth Gardens. Designed by Thomas Hayton Mawson, this Grade II Arts & Crafts garden should be displaying rhododendrons at their very best.

- Saturday 4 June. The Gardening Club will have a plant stall at the Jubilee Picnic.
- Wednesday 6 July. Visit to Greenfield Valley Heritage Museum in the company of Ray Bailey who has recreated historic gardens on site.
- Wednesday 19 October, 8pm. Sharon Nolan, well known for her award-winning, innovative and eye-catching flower arrangements will speak about growing flowers and plants for arranging and giving tips on how best to display them once cut.

Full details of our talks and visits will be on the WPRA website and we look forward to catching up with green-fingered friends and neighbours in the coming months.

Belgrave School - Year of the Tiger !

Children in Belgrave School celebrated Chinese New Year – *The Year of the Tiger* – in many ways. Applying their learning skills, pupils used ordinal numbers to discuss where animals should be placed in the Jade Emperor's race in the Story of the Chinese Zodiac, whilst phonics were very useful in for writing and speaking Cantonese and Mandarin.

In the Chinese restaurant, children role played eating a meal using chopsticks and they also made lanterns and created tigers with paints and collage.

Evergreen 55+ Club

The New Year session in January got off to a flying start with over 50 members and visitors joining us to hear a talk on Thomas Brassey. Our AGM in February was well attended, with a good fun quiz to round off the afternoon.

Our planned 2022 programme is well underway with a variety of speakers booked, events in hand and a Supper Club programme organised for the year. The programme is advertised on the WPRA website, notice boards and available at our monthly sessions on the third Thursday of the month, 2 - 3.30pm, in the Westminster Park Community Centre.

Membership costs £10 per year and for insurance purposes members have to be a member of the Westminster Park Residents' Association.

Evergreen members enjoying a talk on Thomas Brassey

New members are always welcome, if you would like to come along and have a taster session for a charge of £2, we would be pleased to welcome you as our guest.

The 18th Chester Brownies - *Brownies Innovating*

To celebrate the North West Region's 50th birthday, 18th Chester Brownies have been introduced to a variety of activities including hoola hooping, crafting and some of the dance crazes that have hit the dance floors in the past half century.

Working on the Innovate Badge, the girls made edible architecture and designed their own version of the Macarena, whilst a session with X-plore resulted in a wonderful range of fragrant bath bombs.

Next, there will be a visit from Ruth and her Hearing dog, Iker, to demonstrate how his special skills keep her safe, after which a fundraising event will be organised to sponsor a Hearing puppy.

Looking forward to summer and beyond What's happening at Westminster Park Community Centre

There is always a lot of activity at the **Community Centre** which is home to a pre-school group, Weight Watchers, karate, ballet fitness, yoga, Pilates and stretching fitness. Bridge players can get a game, as can darts players, where there are leagues on Mondays and Tuesdays. Christian worship takes place on Sunday mornings, there is a social drop in on the first Thursday afternoon of the month whilst the Evergreen club for the over-55s has now resumed its regular meetings on the third Thursday of the month. More details and contacts can be found via *Community Centre Activities* on the WPRA website.

Folk are warmly encouraged to visit for a drink – the bar is open every evening plus Saturday and Sunday lunchtimes with the added attractions of pool and table football.

The committee and staff at the Community Centre work hard to offer a warm welcome to everyone and are always keen to hear of any suggestions for future events or functions at the centre. They can be contacted on 01244 671243, where you can leave a message, or pop in to the centre after 7.30pm to speak to a member of staff.

Edible Delights

Incredible Edible Westminster Park have been busy tending the vegetables growing in their planters on Castlecroft Road and are delighted with how well everything is growing, with the sad exception of the potatoes which suffered with the frost; there were just enough for a tasty Spanish omelette! Currently the chard and pak choi are ready to harvest, so please help yourselves. A specially made shelving unit is in place for anyone who wants to take part in plant swapping. If you are leaving seedlings and cuttings, clear labelling is very much appreciated!

Music by the Bridge

We are delighted to announce a series of concerts in the church, starting at 7pm and lasting no more than an hour, followed by a glass of wine in church.

The musical events are:

Friday 11th March, 7pm - Jane Williams and Friends - a selection of music for wind ensemble by the Chester Philharmonic Wind Players

Friday 13th May, 7pm - Musicians from the King's School - Including brass and choral groups from the school

Friday 10th June, 7pm - Jane Williams and Friends - An evening of music with a woodwind ensemble

Friday 8th July, 7pm - Silver Singers and St Mary's Youth Choir - A concert of well-known songs from the groups, as well as some instrumental solos.

No tickets are required but donations will go towards the Choral Scholarship fund.

Chester International Film Festival 2022

CIFF 2022, incorporating Animation Festival, is curated by **Chester Film Society**, in association with Storyhouse and the Institute for Social Responsibility at Edge Hill University.

The festival includes 6 films (3 on *exclusive preview*), along with opening night and closing night drinks receptions. A free drink comes with your ticket.

Tickets are available on Storyhouse website www.storyhouse.com/chester-international-film-festival.

Sing Out Loud

Chester Operatic Society is celebrating its centenary by staging a production of 'Me and My Girl' at Storyhouse on 8-11 June. Rehearsals take place at St Mark's Church Hall and there is still time for new members to join the chorus. Tickets will be on sale shortly.

There is also the chance to join in a workshop day and concert performance of 'Pirates of Penzance' on Sunday 24 April. The workshop costs £20, no auditions are necessary and optional rehearsals (which take place prior to the workshop day) are fun, albeit with the serious intention of achieving a good performance standard. Audience tickets for the evening cost £10. For further information about these singing opportunities contact Chris Westcott 01244 675431, or brianwestcott48@gmail.com.

Pickleball - a sport for all

Last year, during your walks in the park, you might have noticed a group of people enjoying themselves on the public tennis courts, playing a weird game, with an even weirder name, **Pickleball**. In case you wonder why you don't see us anymore, it is because we play indoors during the winter. We will come back to Westminster Park as soon as the weather allows and if you'd like to give pickleball a go, stop and talk to us and we can arrange a taster day!

Welcome to Croquet!

Chester Croquet Club at Westminster Park is an inclusive, friendly and caring centre of croquet in the heart of the community.

There are four well kept lawns, a fully equipped pavilion and good quality equipment.

Croquet is an adaptable game that can suit many people. Men and women play on equal terms, and relatively young children can pick the basic game up quickly.

People play croquet because they enjoy it. They may play in serious tournaments all over the country or they may just enjoy a potter in the sunshine.

At all levels, meeting friends, having a natter or simply having fun are very important parts of the game.

The club had a record attendance at its annual taster sessions in April and welcomed 30 new members. During the season there are regular social fundays where members

are encouraged to bring friends and family along, as well as roll up sessions, coaching and internal competitions.

The club is involved in two community projects, one with people who have mental health issues due to social isolation and anxiety around the pandemic, and the other with local schools.

Chester Croquet Club is happy to welcome anyone who is keen to have a go at this fascinating and stimulating game; a game of skill and strategy, angles and guile.

Chester Croquet Club - Taster Day Come and try croquet!

We invite you to attend our taster day at Westminster Park where you will be introduced to the great sport of croquet.

Spring into Fitness

There are lots of opportunities to get out and improve your health and fitness happening in this area. If your favourite sport is not mentioned, why not contact us for inclusion in a future newsletter?

WP Walking for Health Group

Do you want to get fitter after all the lockdown inactivity and make new friends? If yes, then consider joining our walking group. We meet every Tuesday at 10.30am outside the cafe on WP for a leisurely walk of 3 - 4 miles, mostly on pavements, avoiding difficult ground. Well behaved dogs are welcome and membership of the group is not restricted to the Westminster Park area.

For more details, contact Fred Whiteley on 01244 675085.

Crown Green Bowls at WP

The two bowling greens in the park are

available for the public to play bowls, free of charge, except when the WP Bowls Club have league games every other Monday night and on Tuesday and Friday afternoons.

If you would like some coaching and the use of some woods, please contact Martin Amesbury on 01244 679271.

Brilliant lighting at Glan Aber

After much planning and a rather long wait, all new LED lighting has finally been installed at **Glan Aber Tennis Club**, to the joy of members who are now finding their evening games to be greatly enhanced by the increased lumens! The club has also provided funding for the replacement of lighting on the public courts to improve the facility for evening games. At the same time, the club has also improved the fencing surrounding the courts, some of which was badly damaged by Storm Arwen.

Glan Aber Tennis Club welcomes new members – adults and juniors. Full details on how to join and cost of membership can be found on the club's website: www.glanaber.com

The secret life of hedgehogs

Last year, a number of local residents took part in 'Hedgehog Watch', a community science project set up to record garden wildlife using a camera trap that captures night time activity in their gardens. Once a bank of information has been assimilated and assessed, it is hoped that this will assist communities to create and enhance habitat features for hedgehogs to thrive. People are invited to apply for a camera to set up in their gardens for three weeks and then return it. There are 100 cameras and the project will run monthly. For a chance to take part, go to <https://www.chesterzoo.org/what-you-can-do/hedgehog-watch/> to read the terms and conditions and register your interest.

Chester Model Railway Club - News

The club hopes to hold an Open Day and Exhibition on Saturday 21 and Sunday 22 May at St Bartholomew's Church in Sealand where there will be a large stall for model locos and accessories.

Summer plants for the garden will also be available to buy. For further details, contact Colin Dollimore on 01244 629167.

Membership renewal reminder

Many thanks to all who have applied for their membership of WPR. As someone once said: 'Every little helps' and your £3 (which is only 25p per month) enables the association to keep working on behalf of residents and the community. If you would like to join the WPR, details appear on the leaflet included inside this newsletter.

On our doorstep

Westminster Park is peppered with businesses of all sorts and perhaps we have become more aware of them in recent times, as we pounded the pavements of the area during lockdown walks. Many of us prefer being able to call on local services; so in this and future editions, the newsletter will focus on some of the people offering their skills and services to our community and beyond.

Blue Finch Furniture was set up by James Knowlson in 2021 as a new venture. Deciding to capitalise on his interest in furniture design and construction, James studied at Waters and Acland Furniture School in the Lake District. He designs and makes bespoke furniture for his customers, including bookcases and storage solutions

that make best use of space available. He is also providing a handyman service for smaller household maintenance tasks like internal and external painting and assembling flat pack furniture.

James lives in Westminster Park with his family and says his aim is to provide a reliable, efficient and courteous service to members of the local community and invites you to contact him for a chat about any prospective work (07860 384145).

Flags out for Interiors

In the world of **Interiors**, it's time to celebrate! Despite the recent turbulent trading conditions, the store is confidently approaching its fourth anniversary in April. There are plans afoot to mark the occasion and to thank their loyal, enthusiastic customers – especially those in the WP community. Look out for complimentary fizz each afternoon and competitions for amazing prizes from Tuesday 26 – Saturday 30 April. Meanwhile, Interiors now showcases blinds, shades, shutters and awnings from Luxaflex and invites you to visit the store for advice and expert guidance on custom-made window coverings.

Store hours are 10-4, Tuesday-Saturday.

CO-OP Re-cycling

If you industriously re-cycle your waste on a weekly basis, you may have been frustrated by the amount of soft plastic which cannot be put into the council's grey box – the peel-back coverings on fruit boxes, plastic bags etc. Now, thanks to the Co-op in WP, all of this can be put into a dedicated container which is located to the right of the exit from the shop, for recycling. Other supermarkets offer this too, but this is right on our doorstep and is already being well used. Of course, it would be good not to generate this type of waste at all, but that is another story. If you have thoughts or tips for avoiding plastic waste, why not let us know and we can share them in future issues?

Garden waste collection charge

As most of us are aware, the green garden waste collection will need to be paid for in future. The cost is £40 and residents need to opt into the service.

Terms and conditions can be found here: [www.cheshirewestandchester.gov.uk/residents/waste-and-recycling/garden-waste-](http://www.cheshirewestandchester.gov.uk/residents/waste-and-recycling/garden-waste-collection.aspx)

[collection.aspx](http://www.cheshirewestandchester.gov.uk/residents/waste-and-recycling/garden-waste-collection.aspx).

Take note that it costs £40 whether you subscribe now (collections resumed from the end of February) or later in the year. If you are in receipt of full council tax reduction, 25% (£10) will be deducted from the charge.
