Notes from The Chair

Basking in sun as I write, it is hard to think back to the unrelenting rain and flooding of last spring. But here we are, and I hope that you are making the most of this beautiful weather.

You may not be aware, but a few members of the WPRA committee meet on Teams every three months with representatives of the builders delivering the Kings Moat Garden Village to discuss progress and any problems which Westminster Park residents may have raised. Last year flooding was a big topic of conversation, but now road works are on the agenda.

You may have noticed that work is going on by the Moat Farm/Park & Ride roundabout and there are some traffic restrictions. A new road is being constructed to provide a third entrance into the estate leading to the school and new shopping area for which plans are yet to be submitted.

The school site has been handed over to the Council, plans have been approved and a contractor appointed. It is due to open in September 2026, hopefully alleviating some of the pressure on our existing schools.

There are also plans to alter Overleigh roundabout. Originally planned to start this summer, work has now been put back to spring 2026, although a tree has been taken down in preparation for widening the road feeding onto Wrexham Road.

With the dry weather, Taylor Wimpey have been able to make good progress with Phase 3 of their site. The ponds have all been drained and filled and the main road is under construction. Should you have any concerns once construction of the houses at the back of Sherbourne Avenue and Five Ashes Road begins, please get in touch with me.

Calling all local builders!

We take a lot of pride in our local area and do our best to keep it clean and tidy. However, there are a couple of places which look very untidy and both of them need the skill of someone good at brick-laying.

The corner of the wall separating the Five Ashes shops car park from the road has fallen down and has a red plastic fence around it. The Council have removed the bricks but there is no prospect of them coming back to mend the wall.

The second wall in need of attention is on the corner of Lache Lane and Vincent Drive. Part of the retaining wall on one side has fallen down and needs repair.

You might say that these are the Council's jobs (which they are), but they will be extremely low on their priority list and the likelihood of them fixing them any time soon is virtually nil. Can you help? A lot of local residents will be very pleased if you can and we will give you free publicity in the newsletter for your trouble. Please give me a call.

Can you lend a hand with our website?

Keeping our website up to date is important and we could do with a helping hand.

Training will be given to enable you to add occasional posts (you don't have to write them) and change header photographs. If you think that you could help, we would love to hear from you.

A big thank you to all those who have volunteered to deliver this newsletter following our plea in the last issue. I hope that you enjoy your walk around our lovely neighbourhood!

If you have any ideas or suggestions for events or improvements in Westminster Park, please get in touch.

Councillor Razia Daniels

It's been a busy few months and I wanted to share some updates on the work I've been doing locally on your behalf.

Speeding concerns I welcome the temporary 30mph speed limit on Wrexham Road. However, residents have been in touch with me regarding speeding and signage. I have contacted Highways requesting more signage to reinforce the 30mph limit and highlighted that the current signs are obscured by trees.

I raised residents' concerns about speeding on Lache Lane and Wrexham Road with PCSO Cain Jones. We discussed forming a community speed watch group for Wrexham Road - if you wish to get involved, contact me.

The disabled bay markings have been repainted at Westminster Park Shops car park, but I was disappointed that the potholes remain unaddressed and will continue to push for repairs.

Duck Race success Many congratulations to Co-op for winning the Countess of Chester duck race. As Lord Mayor of Chester, it was a pleasure to present the award to manager, Liam Nicholls.

Overleigh Roundabout – Tree Removal I understand residents' concerns about the tree cut down on Overleigh Roundabout recently. The Highways Department have advised: "Unfortunately, this tree is in the area that is within the junction widening envelope. This was all agreed as part of the planning conditions. An Arboricultural Impact Assessment was produced as part of the s278 plans. Redrow were given permission to remove this ahead of schedule to avoid the bird nesting season."

Medical Centre I continue to work with Aphra Brandreth MP to push for a new medical centre to serve our residents, needed more than ever with the additional housing at the Kings Moat Garden Village development.

Pharmacy Services – Have Your Say

A consultation is now open on the Pharmaceutical Needs Assessment, which will help shape pharmacy services in our area for the next three years. Paper copies available in local libraries. You can take part, until 13 July via:

Members Budget funding

I was delighted to approve funding requests from the Friends of Westminster Park for the Café terrace refurbishment, Westminster Park Residents' Association for replanting planters and Westminster Park Community Centre for the Summer Fun Day. Contact me if you have a community project requiring funding.

Councillor Matt Carter

I hope everyone is enjoying this unseasonably consistently warm and dry weather we are having, as opposed to last year's very wet spring. Let's hope this does not result in a wash out summer season!

Firstly, an update about the council budget which was passed in mid-February. I am pleased to report that it has included extra investment into two key front-facing council services, with a £10m uplift for highways, allowing for more money to fix road defects, clean out gullies, and upgrade and replace highways assets. We have also since been provided more money from central government with their aim to fix seven million potholes nationally. Secondly, we were able to invest an extra £200,000 into StreetCare, which allowed the council to invest in six new small street sweepers, allowing more detritus and weed growth to be tackled across the borough. While I do not suggest this will fix all of the issues on our roads and local streets, it is a positive step and, hopefully, will make a noticeable difference.

I attended Westminster Park Residents' Association AGM and want to say a huge thank you to everyone on the committee for all your hard work and dedication to our community. A very special thank you goes to Penny White, who is retiring from the committee after more than 10 years of outstanding service as secretary. Your commitment and contribution have made a real difference, Penny — you'll be greatly missed!

As always, please get in touch if I can help with anything or come to my monthly street surgery on the first Saturday every month at Westminster Park Shops between 10am - 10.45am **Councillor Razia Daniels**
Mobile: 07481 234411
razia.daniels@cheshirewestandchester.gov.uk

On the topic of highways, I received a lot of correspondence regarding the deterioration of the road surface on Circular Drive. While not strictly within my ward, I raised the issue alongside Cllr Tate. I am glad to report that the road was put on the programme of work for a full resurface and early last month this was completed.

My other local activities have included attending a general meeting of the Friends of Westminster Park, alongside their AGM and the WPRAGM.

Now that the pre-election period is over, implemented due to the Runcorn and Helsby by-election, I have been able to allocate several requests from my member's budget. This includes money towards the upkeep of the planters by the shops, money towards the upgrade of the terrace outside Green Day Café, and funds to put on Westminster Park Summer Fun Day at the Community Centre. Surgery Details:

I am available for face-to-face meetings on request to discuss and help in ward related issues. Please send me an email, contact my Facebook Page "Cllr Matt Carter – Handbridge Park Ward" or give me a ring.

I also complete monthly door knocking sessions talking to you about what matters most and what I can do to help.

Councillor Matt Carter

Evergreen 55+

Evergreen continues to enjoy a healthy membership with 84 signing up so far this year.

In the coming months we have a talk about the 'Adventures of DNA Testing' in June; in July a member of Storyhouse will tell us why Charity and Community is vital and in August our committee member Isobel is going to give us one of her very popular picture quizzes.

Our monthly Supper Club continues to be well supported and its variety of local venues ensures there is something for everyone to enjoy.

New members are always welcome. We meet on the 3rd Thursday of each month in Westminster Park Community Centre, 2.00 – 3.30p.m. Membership is £12 with complimentary tea/coffee/biscuits. For insurance purposes you have to be a member of the Westminster Park Residents' Association.

Westminster Park Community Centre

Summer Fun Day

Excitement is brewing for the Westminster Park Summer Fun Day hosted by the Westminster Park Community Centre on Saturday 19 July 1.00-5.30pm.

Throughout the day local talented musicians will take to the stage to entertain the crowds. The incredibly talented gymnasts from Saltney Gymnastic Club and the fantastic dancers from Studio 13 will also perform.

There will be a range of food and drink options available, plenty of stalls and activities for children to enjoy. Entry to the event is free but we would be incredibly grateful if you could bring a small amount of change to purchase some raffle tickets. As a charity all the money we raise from our raffle on the day will be put directly into improving our facilities.

Please note that although the community centre is dog friendly, for several reasons **dogs will not be allowed** to attend the summer fun day.

Lord Mayor Charities

We would like to congratulate Cllr Razia Daniels on her fabulous Mayoral year. The community centre was chosen as one of her Lord Mayor Charities and during the last year we have worked with other local charities to raise funds. We are truly thankful to Razia for this opportunity and experience.

National Lottery Community Grant

We were delighted to receive a National Lottery Community Grant and have been busy putting the funding to good use. We now have an excellent new, user-friendly sound system to enhance the many events held here.

New curtains will soon replace the old and we are purchasing a chair trolley and chairs. Our garden is going to have a very exciting make over with new benches and lighting, etc.

Follow our Facebook page *Westminster Park Community Centre* for updates!

Hall hire

We have a large hall which is available to hire for all occasions such as: Birthday Parties, Christenings, Weddings, Reunions, Wakes and Charity Events. Facilities include a fully equipped kitchen, music system, Wi-Fi, projector, stage and car park. We also have chair covers to hire. Contact us for a quote.

We offer our hall free of charge to registered charities for fund-raising events.

To discuss availability ring 01244 671243 after 7.30pm, 7 days a week and one of our friendly team will check the diary and answer any questions.

Baby and Toddler Group

Our Baby and Toddler group takes place every Thursday 1-2pm (excluding the 3rd Thurs of each month). It is a lovely little group aiming to provide parents and grandparents with an opportunity to connect as well allowing the babies and toddlers to explore, have fun and socialise. The group runs in line with school holidays.

The 18th Chester Brownies

The girls enjoyed an animal themed Pack Holiday at Pettypool in March creating puppets, devising plays and making biscuits and even grew grass headed animals!

This term we are visiting the Fire Station, Ice cream farm and are going Bellboating on the River Dee. Any queries, do contact me. Janne Hooper - Brown Owl.

WPRA Gardening Club

Please come and join us for our next garden visits to Mount Pleasant Gardens and Bluebell Cottage Gardens.

Wednesday, 18 June 2025, 2 pm.

Mount Pleasant Gardens

Yeld Lane, Kelsall, CW6 0TB.

The gardens boast thousands of varieties of plants and are a riot of colour throughout the summer season. The tiered garden cascades down a gently sloping hillside providing outstanding views over the Cheshire Plain. Visitors can enjoy tea and cakes and purchase home-grown plants and shrubs. Admission: £7; free for RHS members.

The garden wraps around Bluebell Cottage with winding paths enticing the visitor to explore its many different sections. Enter through the orchard, under sown with a pretty wildflower meadow. At the top of the garden, modern perennial planting draws the eye across a wide border. The newly extended gravel garden is packed with bright, drought-resistant plants and a large pond is a haven for frogs, newts and damselflies. Beyond this lies the exotic garden, cottage veg plot and shady garden.

Hot and cold drinks, locally made cakes and Cheshire Farm Ice Cream available on a self-service basis. You are welcome to bring a picnic and use the tables by the tea room (please—no picnics into the garden).

Admission: £5; free for RHS members.

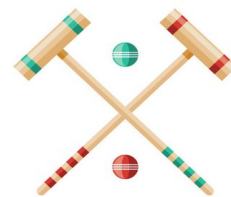

Friday, 11 July 2025, 2 pm.

Chester Croquet Club

April brought the start of the 2025 season to Chester Croquet Club, after an enforced layoff over the winter to allow the lawns in Westminster Park to recover after last year's soaking. And what a contrast it has been - now the lawns could do with some rain!

Following our spring Taster Sessions we have welcomed 13 new members to the club who are already showing great promise. Soon they will be taking part in our regular roll up sessions and weekly competitions, alongside one-off and season long competitions in both Association and Golf Croquet (AC and GC). League matches against other north-west clubs have begun.

We are also starting a new form of the game called "One Ball" which is catching on.

This year Chester will host several national competitions, on May 17, 18, 31 and August 2-3, as well as entering teams in knockout GC and AC national competitions.. In June we will enter teams in the Festival at Southport.

Of course, many members simply enjoy playing against other members in Westminster Park, whether or not it is part of a competition. And this includes our Social Fun Days for members and their friends and families, on certain Sunday afternoons - May 25, June 14 and July 13.

So, if you are ambling round the park, it is likely that you will see some croquet going on. Do pause and watch, you may well find it interesting and tempting ...perhaps worth exploring further! Do look at our web site, chestercroquet.club for more information.

All donations of plants for our stall at WP Summer Fair: (labelled if poss), can be dropped off from 12 noon at the stall on the school grounds—Thank you!

Why become a member of WPRA ?

You may be thinking, 'What's the point of joining WPRA? It's only £3, it's not worth bothering,' but there are a lot of advantages to being a member.

At the beginning of 2024 neighbours near the corner of Vincent Drive and Dennis Drive received a letter suggesting that an area of green space, near to their home, that local people enjoy and socialise in, could be built on. They informed WPRA and our councillors and subsequently we applied to the Council

to have the land designated as an 'Asset of Community Value'.

I'm pleased to say that our application has been successful and this green space of trees and grass has now been listed as a Community Asset with the Council and the Land Registry and hopefully will remain a place for local people to enjoy for years to come. It's very important for us to maintain a high number of members in order to have influence with the Council and other bodies.

You can join online via our website – wp-ra.org.uk or you can pop your details and money round to our post box at Bebbington's or to Colin Dollimore at 5 Ludwell Close.

If you haven't quite got round to it yet, or you've just moved into the area, please join us now!

Not sure if you've already joined? You can ask me (01244 629167) or check on our website via the Portal.

A BIG Thank You to the 103 people who joined in our City Nature Challenge event in the park. Using the iNaturalist app, you (along with others in Cheshire) recorded enough bugs and plants to put us in UK second place, behind the London Region. By taking part in this worldwide challenge, you helped scientists record the abundance and changes in biodiversity. To see the results Google 'CNC results' or visit <https://uk.inaturalist.org> and search 'CNC'.

Participants are listed, so you might see your own tally there. Thank you to Alex from Chester Zoo for invaluable help.

To get involved all year round, download the iNaturalist app. Other good, easy to use apps to help you to identify the plants and birds you see and hear are 'Merlin' and 'Seek'.

Our new 'mindful' garden is taking shape. The paths have been laid, wildflower seeds are coming up and the new hedge around the

compound has been planted. There's still work to do but it's already a lovely walk. Thanks to the volunteers who dug up brambles in the recent hot weather. Don't worry, there are still lots of brambles left for the birds and bees!

As promised, new whips have been added to the hedge by the football field. Also, thanks to a generous donation, we added 25 honeysuckle plants which will grow through the hedge to provide colour, scent, sustenance and shelter for bees.

The patio outside the café is looking so welcoming now and our volunteers have been helping with weeding, cutting back shrubs, scraping and painting.

We work Wednesday mornings, 10 – 12. If you'd like to join us, all are welcome - tools and gloves provided.

Find us in the park, we all wear bright yellow vests.

Glan Aber tennis club

Thanks to Phil and Lydia and their team at All Court Tennis Academy (ACTA) for their hard work and enthusiasm. As well as a full programme at both Glan Aber and Tarporley, the team continue to run tennis sessions at the King's School too. We are delighted to be providing free coaching sessions to both Lache and St. Clare's Primary Schools from our Community Outreach Fund, as well as sessions for the local Brownies and Saltney Cubs.

Our Pay & Play Saturday junior coaching sessions continue to be popular. Please sign up on the ACTA app where you can view all sessions including regular courses and summer camps. Lydia runs cardio tennis on Tuesdays from 18.00-19.00. It's open to non-members but best to book as places are limited. You can contact Phil (07540 082727) or Lydia (07889 979801) with any coaching enquiries.

We have 5 adult teams playing in the local summer league and 4 junior teams in the National Team Tennis League. Many of our older juniors also play for the adult teams. Social tennis is thriving. New members are always welcome and full details of our membership packages are available on the glanaber.com website – there are options to pay annually or monthly.

Learn about Chester castle...

The next talk for Lache & Westminster Park Local History Group is on Wednesday 16 July, 7.30pm, at Lache Community Centre, CH4 8HX.

The topic will be the History of Chester Castle, presented by representatives of English Heritage. All welcome, no need to book, £2 admission includes refreshments. The Secretary, shuttleworths@talktalk.net 01244 679791 or text 07726 425847

Merry Widow

Chester Operatic's very amusing production of Franz Lehar's Merry Widow is coming to Chester Town Hall from Thursday 19 to Saturday 21 June, with a matinee on Saturday. Rehearsals are gathering pace and all we need is a full audience! The show is full of familiar music, such as the Merry Widow Waltz and Villia.

Audience members are seated at tables of 10, and there is a discount for a full table. Tickets (£22 each or £200 for a table of 10) from Brian Westcott on 01244 675431.

Can you help keep the donkeys warm and dry?

The owners of the Lache Animal Sanctuary are hoping that you can help them keep their animals warm and dry in the future by helping to fix the roof of their sheds.

Three horses and six donkeys live at the sanctuary which has been run by Archie and June for the past 40 years. The animals that they tend range from the youngest at 18 to the oldest of approx. 40 years old.

This Sanctuary is totally self-funded and is supported by the amazing local community.

The problem now is that the roof of the donkey sheds is in desperate need of mending to replace broken and missing tiles.

Please if any roofer could help it would mean that when winter sets in the donkeys are safe and warm. Alternatively, we would be very grateful for donations to help cover the costs of the roof improvements.

Please join our Facebook group 'The Lache Animal Sanctuary' where you can get involved. Thank you

Kreative Room expands with new beauty treatments & nail services

Tucked just above the Co-op in Westminster Park is Kreative Room, a beautiful, light-filled salon that's quietly been making a name for itself in the local area.

Founded by local hair expert Katie, the space was created not just as a salon, but as a retreat where clients can take a breath, feel looked after, and leave feeling their best.

Over the past few months, the salon has grown into a full wellbeing hub. Alongside their natural hair colour and styling services using O&M products, they now offer a curated mix of beauty and self-care treatments:

Massage & facials with Maria – perfect for relaxation or a skin refresh

Brows & lashes with Emily – including HD Brows and lash lifts

And most recently, the launch of *Nail services with Tara* – who brings a wealth of

experience and a warm, friendly touch to every manicure. Tara offers a full range of treatments using OPI polish and BIAB – ideal whether you're after everyday polish, a little pampering, or something extra glam for a special occasion.

Owner Katie says: "Kreative Room was always about more than just hair. I wanted to build a space where people could feel calm, enjoy great treatments, and leave feeling recharged. With our amazing team now offering everything from nails to facials, it really feels like a little self-care sanctuary in the heart of Westminster Park."

Opening hours:

Tuesday–Saturday, hours vary by practitioner

South Chester Alliance

It's been quite a busy couple of months behind the scenes as CSA continues to remain vigilant about issues that impact our patch. Concerns about further development, protecting our green spaces and flooding and drainage problems very much remain on our agenda.

We added to the pressure on CWAC to bring forward the Circular Drive road surface repair, and we were able to help Lache residents with their campaign for a major clean up after a widely circulated video that prompted a reaction. We take no credit for this other than helping provide a bridge between residents and the Council to make things happen.

A major issue we are also now working on involves research into the Index of Multiple

Deprivation in the Lache. We have done a vast amount of research on this and recently called a meeting which included CWAC Councillors from Conservative and Reform and a representative from our MP's office.

The data shows an alarming picture and we needed to assess the stand out issues and how take these forward. There will be a fuller report on this on Chester South Alliance Facebook page in due course.

We will continue to work co-operatively with WPRA as the challenges that face our wider community don't always fall in line with boundaries on a map drawn up by the 'system'.
